We use only the best ingredients and refuse to compromise on quality. For example, our lamb is sourced from Wales and has to be very young to ensure it tastes beautiful and tender from our charcoal grill.

Prices are correct at time of publication and especially due to the market price of lamb, are prone to increases as management deems necessary.

## PIDELER - Turkish Pizza

Pide is a traditional Anatolian dish based on a recipe dating back thousands of years. Freshly made dough resembling the shape of a boat is baked on stone based oven producing a crispy outer crust. Then a variety of highly flavoured toppings containing either meat or vegetables and cheese is added. Truly delicious and best eaten by hand as in ancient times.

All Pides include salad.
