All prices inclusive of VAT. Service not included. Hotel guests with dinner included have an allowance of £41 per person. It is the responsibility of the guest to inform Rudding Park of any special dietary requirements 48 hours prior to arrival. Allergen information relating to all our dishes is available; however, due to preparation it is not possible to guarantee the total segregation of any allergens.

In 1860, Charles Darwin encountered his first carnivorous plant—the sundew *Drosera*—on an English heath. The author of *Origin of Species* wrote;

“I care more about *Drosera* than the origin of all the species in the world.”
