COCKTAILS

Founded in 1772 by Philippe Clicquot, this house's legacy was pioneered by Philippe's daughter in law who took over the business in 1805 when she was widowed at the age of just 27. It was the Widow (Veuve) Clicquot's visionary foresight and innovation which transformed the house into the success it is today. The house style is based on the intensity and prettiness of Pinot Noir resulting in wines of complexity which balance power and finesse.
