Thursday 15th August

From 8pm

James Ball

Enjoy the perfect chilled out Sunday with our resident musician James Ball.

His soulful acoustic sound creates a warm laid back ambience leaving the listener feeling truly relaxed.

With emotive yet colourful tones and an incredible voice, you can be assured of quality music that resonates from the 60's and the Beatles to more modern renditions such as Jack Johnson and Paulo Nutini. His huge repertoire and ability to play nearly everything with his own unique take on it is outstanding! In fact if you have a favourite song that you would like to be played, why not request it?

Sunday 18th August
